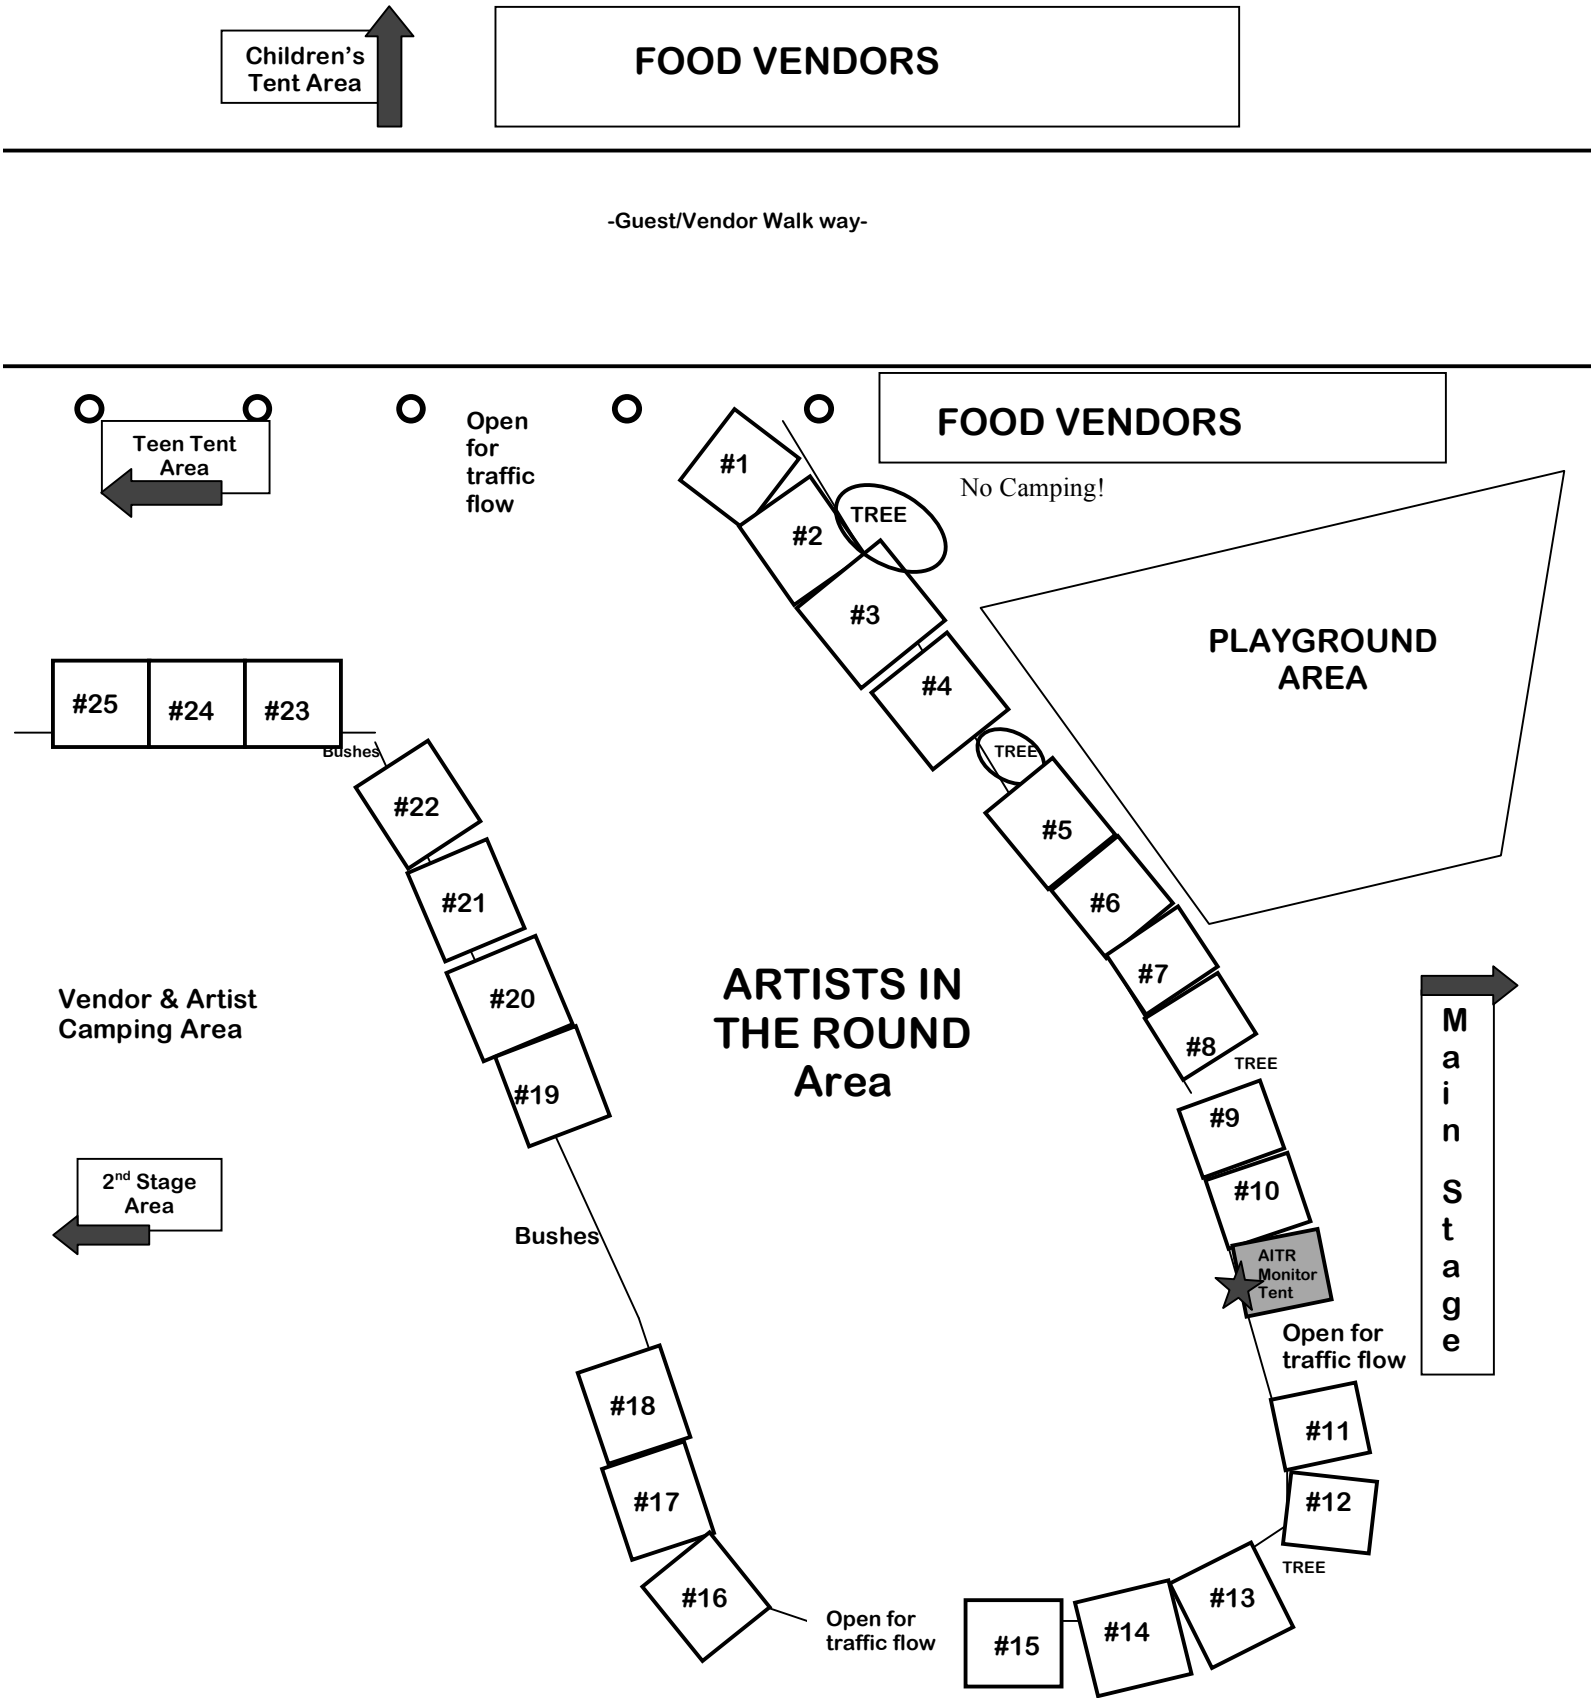
HIAWATHA MUSIC FESTIVAL - ARTISTS IN THE ROUND
Booth Layout Map


NOTE: Not to exact scale. Each space will be marked ahead of time with stakes. If you are interested in particular spaces, please note on application. Be aware that in the past it has been first come first serve. Some artist's booth set ups fit better in certain spaces. The coordinator & monitors will do their best to accommodate you. Contact: AURORAART@aol.com for more information. If you need assistance in anyway, please see the monitor tent before, during or after festival.
